

ELECTIVES POLICY FOR STUDENTS

Electives are a valuable & highly regarded experience to students with benefits in providing a better learning and academic achievement, delivered by the possibility of personalizing medical curricula and stimulating students' self-motivation. Students are encouraged to opt for electives in institutes/ hospitals of their choice with good standing.

- Niazi Medical & Dental College offers Electives for its students during summer break only.
- The electives will be offered to all the students of NM&DC as per their request.
- The students will be encouraged to do electives in the departments/ subspecialties not available in NWFTH.
- The students doing electives will be given extra credit in the internal assessment of the concerned major subject.

SOPs for Internal Electives to Students (at NWFTH)

- Any student who wants to apply for electives at NWFTH/ Niazi VIP Complex needs to submit a formal application to Student Affairs Section which is then forwarded to Principal office at least 4 weeks before starting the elective rotation.
- Application must be submitted along with the following documents:
 - Three passport size photographs
 - Evidence of good standing in terms of attendance & behavior from class coordinator (at least 80% attendance)
- Students will provide preference to two departments for electives.
- Duration of electives will be minimum of 4 weeks.
- Students will have to follow the SoPs of the respective department during elective rotation.
- Student is also required to submit a written report to Student Affairs department after completion of electives.

SOPs for External Electives to Students (at Other Institutions)

- External electives will also be offered to students on their request.
- Students can apply to any institution of their choice.

- Student have to submit offer letter/ invitation of the institution where he wants to do elective rotation to Student Affairs section at least 2 weeks before the start of elective rotation.
- The college will provide all the necessary permissions and documentation.
- Student is also required to submit a written report to Student Affairs department after completion of electives.
